

FRIENDS OF SCANDINAVIA HISTORY MEETING- JANUARY 92012

The meeting was called to order by Doug Watson at 7:00 p.m. at the Scandinavia Municipal Center.

The main discussion for the evening was how each member could make our historical society a better organization. At our March meeting we will making a list of responsibilities, and we want everyone to sign up and take responsibility for some type of project. This could include things like being in charge of a historic building, and when it needs cleaning or repair to have someone help get that done, or raising money, programs etc.

We were reminded to write down memories that happened when we grew up in Scandinavia. It might be a store you shopped at, an organization your belonged to, individuals you knew, or a tradition here in Scandinavia.

In June of this year, The Sons Of Norway would like to tour our historic buildings in conjunction with their annual convention which is being held in Appleton.

A member of Guy Sheveland's family who is doing genealogical research, asked our membership for any remembrances that we might have of Mr. Sheveland.

The secretary's report was read. It was moved by Sue Barlow and seconded by Carl Lantz to accept the minutes as read.

The treasurer reported that we have \$2,168.35 in the bank at the present time. It was moved by Bill Johnson and seconded by Carl Lantz to accept the treasurer's report.

A motion was made by Susan Barlow and seconded by Dough Watson to adjourn the meeting.

Respectfully submitted,
Mary Peterson, Secretary
