

FRIENDS OF SCANDINAVIA HISTORY MEETING

MAY 14, 2012

The meeting was called to order at 7:00 p.m. by president, Doug Watson following the Pledge of Allegiance.

A motion was made by Ron Anderson and seconded by Harry Zawacki to accept the secretary's report as read. A motion was made by Carl Lantz and seconded by Ron Anderson to accept the treasurer's report as read. We have \$2,515.23 in our treasury.

The Knopf cabin and the Joel Barbershop will open June 2nd. They are in need of spring cleaning. Wednesday nights the Booster Club is at the park at 6:00 p.m., and if anyone could come and help with some of this cleaning, it would be appreciated. These buildings will be open from 1:00 – 3:00 p.m. this year to the public, and we will need docents for June 2, July 7, August 4 & 5 (which is corn roast weekend) and September 1st. We will need help moving artifacts outside of buildings, and putting them back in.

September 1st we will have a fall festival at our last open house at the park for this year. Any suggestions are welcome. We need to be thinking about a fundraiser in conjunction with the open house as we can really use the money. It would be nice to construct a machine shed for many bigger items that have to be stored in the cabin or barbershop at this time.

The Sons of Norway will tour our historic buildings June 24th from 12:30 to 1:15 p.m. Doug is unable to be there, so we need a docent to open the buildings and help empty them out.

George Kriewaldt and his two sons, along with Dave Heise and his grandson have been putting a lot of work into the Silver Lake Service Station. They have reconstructed a wall, finished the chimney, finished the electrical work and will be putting on drywall.

Oral histories will be conducted. Sheila Luck will be interviewing Joyce Salmon and Russell Anderson. It was suggested that we interview Peanuts Grenlie, Norman Johnson, Sigurd Krostue, and Norman Larson.

Carl Lantz did a very nice job of refurbishing a display case that we will be using in the library to feature some of the smaller collections that FOSH has acquired.

The Iola Historical Society will be featuring historical pictures in the Waupaca County Post.

The Silver Lake Creamery was our object for discussion following the meeting. At our next meeting we will bring pictures and memories of sawmills in the area.

Ron Anderson made a motion to adjourn the meeting. Harry Zawacki seconded the motion. Motion carried.

Respectfully submitted, Mary Peterson (Secretary)
