Currently we have \$2389.06 in our treasury.

The Knopf cabin and Jole's Barbership need cleaning because they will be open during the corn roast on August 4th and 5th.

September 1st will be the last open house at the park. We need to be thinking of a fundraiser in conjunction with the open house.

We are still looking for copies of the Shoppers Pilot which was published by T.A. Peterson from 1900 to 1911.

Dave Heise has been working on the Silver Lake Service Station. Doug Watson has been painting the window frames in the Eliason cabin. It was mentioned that a machine shed is needed to house our farm implements.

Carl Lantz has refurbished a display case that we can use in the library.

At our September meeting, we will share memories of Scandinavia's Free Fair and Corn roast. Charlie Thompson will present a program on tractors.

16 people attended the meeting.

The meeting was adjourned and Bob Stamsted gave a very interesting program on his involvement with America's space program.

Respectfully submitted, Mary Peterson (Secretary)
