

Our annual potluck supper was held at 6:00 p.m. at the Scandinavia Municipal Center.

Following the Pledge of Allegiance, a short meeting was held to wind up the end of another year.

Susan Barlow made a motion that the secretaries and treasurer's reports be accepted as read. Ron Anderson seconded the motion. At the time of this meeting, we have \$3030.69 in the treasury.

We have a bill from Carl Lantz for expenses to the Knopf Cabin and Barbershop which we will pay before the end of the year.

Susan will send around a sign- up sheet for treats to be served after our meetings.

We will continue with our oral histories next year.

Doris Wallace has a box of historic items that she will donate to FOSH.

As we receive more and more artifacts, we will have to look into a security system before too long.

The Knopf cabin and barbershop have been moved to our historic street in the park. Some parts didn't survive the move, and will be on our list to restore in 2014, along with moving all of the articles back into these buildings and cataloging them.

It was suggested that for some program in the future we show the DVD on the Logging Camp at Rib Lake. Charlie Thompson will have a program at the next meeting.

Doug Watson made a motion the meeting be adjourned. Harry Zawacki seconded the motion
Motion carried.

Respectfully Submitted,

Mary Peterson, Secretary
