

The May 11th meeting for FOSH was called to order by Doug Watson. The secretary and treasurer's reports were read and both were accepted.

Concerns & comments regarding the chili luncheon: Carl Lantz suggested that books be sold in the library area or in the hallway as the "dining area" was quite crowded. Lila Johnson questioned whether we should put desserts on the table. The bake sale may do better this way.

Doug Watson and Carl Lantz chose a barbershop chair to donate to the Coloma Historical Society. We declined the Coloma Historical Societies offer of a barn loom as we have no place to display it.

We are still waiting for our 501 (C) 3 status from the state.

Doug reported on the repair/remodeling progress of the barber shop. Painters are needed. Dave Heise is helping to repair the service station. The goal is to have these done by the corn roast weekend. Tom Ostrowski has items to donate to the service station.

Other donations to FOSH:

Marie Zimmer donated documents & memorabilia.

Wanda Draeger donated a display cabinet currently in the library.

Doris Wallace family donated documents, photos, maps (much of it from Lillie Leppen)

Murnell & Gerry Olsen donated a wood cook stove and a variety of irons.

Doug reminded everyone of the lola Pig Roast on May 25 put on by the lola Historical Society. Veterans eat free.

Also upcoming events that may be of interest to history "buffs" are Waupaca's Strawberry Fest, Plovers Heritage Days, and Stevens Points Laura Ingalls Wilder presentation.

Nancy Lantz reminded people of volunteering for the lola Old Car Show and donating the hours to FOSH.

Motion made, seconded, and carried to adjourn.

Next meeting everyone is encouraged to share a school experience or a school memory

Susan Barlow reporting for Mary Peterson
