

FRIENDS OF SCANDINAVIA HISTORY MEETING

MAY 14, 2018

Following the Pledge of Allegiance, the meeting was called to order at 7:00 p.m. at the municipal center.

Susan Barlow made a motion to approve the secretary's report as read. Linda Johnson seconded the motion. Motion carried.

The treasurer reported we have \$11,288.63 in our checking account. Harry Z. made a motion to accept the treasurer's report. Carl Lantz seconded the report. Motion carried.

The FOSH board met on May 9th to discuss what needed to be done at our historic street before the corn roast. It was decided to meet May 16th at 8:00 a.m. to work on these projects. Mary Peterson will notify the membership. We also would like a gas pump or two for display. Doug Watson will put an ad in the newspaper and also place a wanted poster at various businesses. Most of the artifacts for our buildings are still being stored in Susan Barlow's barn. A date will be set to go through these artifacts and decide what can be moved back into the historic buildings once they are cleaned out. We still need a home to store our farm machinery until we can build a machine shed. There is also two display cases in these cabins that we do not need. Doug will notify the Symco Thresheree group to see if they would be interested in them.

We will have the Silver Lake Gas Station dedication on August 5th following the church service held at the corn roast.

Nancy Lantz made a motion the meeting be adjourned. Lila Johnson seconded the motion. Motion carried.

Doug Watson gave a presentation on the history of the Scandinavia Fair from 1926 to the beginning of the Scandinavia Corn Roast in 1969.

Respectfully submitted,

Mary Peterson, Secretary

July 11th Doug Watson, Harry Ziewacki, Susan Barlow, and Mary Peterson met at Susan Barlow's barn and went through the artifacts stored there. About half of the artifacts were transported to the buildings in the park.

July 16th Doug Watson, Harry Zawacki, Susan Barlow, John and Janece Swenson, Carol Krueger, Bill Johnson, Carl Lantz & Mary Peterson met at the historic village and worked at cleaning the building and many of the artifacts.

July 23rd FOSH cleaning day
